IIM Jammu to host its 7th edition of HR Conclave from today

GJ REPORT

JAMMU, AUG 16: The Indian Institute of Management (IIM) Jammu is preparing to host the 7th edition of its HR Conclave on August 17-18, 2024. The theme for this year, "HR Evolution: Crafting the Next Decade," will address the dynamic shifts and emerging trends shaping the future of human resources over the next ten years. The Conclave will explore the evolving expectations of a multigenerational workforce, emphasizing the need for more personalized and flexible work environments. Additionally, the event will discuss the growing emphasis on diversity, equity, and inclusion, and how these principles can be seamlessly integrated into organizational culture.

The Conclave will begin with an inaugural session featuring addresses from key dignitaries, including Prof. B.S. Sahay, Director of IIM Jammu, Prof. Jabir Ali, Dean of Academics

and Chairperson of Placements at IIM Jammu, and Dr. Baljeet Singh, Co-Chairperson of Placements at IIM Jammu. The event will set the stage for exploring the intersection of HR practices and startup ecosystems, highlighting how robust HR foundations can drive long-term success in new ventures.

Prof. B.S. Sahay expressed his enthusiasm, stating that IIM Jammu is excited to host HR Conclave 7.0, which will bring together academia and industry to share experiences and research. He believes that this confluence of ideas will lead to innovative solutions to some of the most pressing HR challenges faced by organizations today. Prof. Jabir Ali added that in an era where the role of human resources is continuously evolving, the upcoming HR Conclave aims to serve as a catalyst for professionals and researchers to explore new paradigms in HRM.
