$$\text{Overall Score} = \frac{\text{Score of Technical Bid} \times 60}{\text{Highest Score of Best Technical Bid}} + \frac{\text{Lowest Financial Bid} \times 40}{\text{Price of Financial Bid}}$$

- (ii) The financial evaluation will be only for technically qualified bidders. The lowest priced qualified bidder will get the maximum financial score (40) while the others will have a pro-rated score lower than 40. More specifically, the financial score of a technically qualified bidder is calculated as financial score = 40 * (lowest price bid) / (price bid of the bidder).
- (iii) In the case of two or more technically qualified firms having the same highest scores, the firm having the highest average annual Income in last 3 Financial Years immediately preceding to the year of award.
- (iv) IIM Jammu reserves the right to negotiate the quoted price, only with the successful bidder to arrive at the fair and reasonable price.
- (v) A Technical Bid containing commercial details or Revelation of Prices in any form or by any reason before opening the Financial Bid shall not be considered.
- (vi) The institute reserves the right to seek clarifications or additional information/ documents from any bidder regarding its technical bid. Such clarification(s) or additional information/document(s) shall be provided within the time specified for the purpose. Any request and response thereto shall be in writing. If the bidder does not furnish the clarification(s) or additional information/document(s) within the prescribed date and time, the proposal shall be liable to be rejected.

- (ii) In case the successful bidder backing out before actual award or execution of agreement or declines the offer of contract, for whatsoever reason(s), IIM Jammu will have right to forfeit the EMD.
- (iii) IIM Jammu reserves the right to award the contract/work in full or in parts to any Agency and also terminate the contract/work at any stage if the performance of the Agency is found to be Not Satisfactory.

- (iv) The IIM Jammu is not bound to award contract at the lowest price received in the Tender and reserves the right to decide on fair and reasonable price of the services tendered for any counter offer the same to the bidders. All other terms and conditions of the tender shall remain operative even if a counteroffer rate is offered to the bidders. IIM Jammu reserves the right to negotiate with first lowest bidder to arrive at the fair and reasonable price. In case of first lowest is more than one, then it would be at the discretion of the IIM Jammu.
